

# FISD COMMUNITY EDUCATION

## Spring 2022 After School Schedule

REGISTRATION BEGINS DECEMBER 6TH

<https://fisd.revtrak.net/community-ed/>

SCAN ME

Friendswood ISD Community Education offers three sessions of education: fall, spring, and summer. Classes are typically one hour after school. For on-campus classes, students will go from their homeroom teacher straight to their Community Ed class, and the student is picked up at the conclusion of the class. Being a resident in Friendswood I.S.D. is not required to either take or teach our classes. All instructors have been background checked and fingerprinted. Some classes are offered off campus, but all are within Friendswood ISD limits. The fall and spring sessions serve children and adults of all ages. The summer session is held during the month of June and serves school age youths through weekly daytime programs at Friendswood Junior High. The course schedule for summer programs will be distributed mid-May.

The goal of FISD's Community Education Department is to offer a variety of classes and skills to the Friendswood community at large. We hope to make these students feel included, understood, heard and loved while offering them fun learning opportunities. We also are inclusive of students with special accommodations needed, please make a note on your registration if this applies to your student.

**BEFORE YOU REGISTER:** Please note that your student can attend ANY course at any location, not just the courses offered at their home campus. As long as a student is within the age range of a course, they can take any class that we offer. Transportation is not provided, so please make sure your student has a ride to and from the courses they are registered for.

**REFUND POLICY-** If you need to cancel and we receive 24 hour notice, you will receive a full refund for your registration. Once a class has begun, no refunds are offered unless there are extenuating circumstances beyond your control, please contact Brittnei Austin if this is the case.

If you have any other questions or concerns or need help with registration, contact Brittnei Austin at the Community Education Department. 281-482-600 | [communityed@fisd12.net](mailto:communityed@fisd12.net) | Mon-Friday 8:30-12:30

BALES	Teacher	Course	Description	Location	Time	Days	Dates	Cost	Class Code	Age Level
