To register, please visit the link above or scan the QR code to the right. This brochure is your guide to all things being offered by Community Ed this fall! Classes are divided by the campus they are offered at but are open to the general public and not only students who attend those campuses. Please look closely at the ages classes are offered for. The legend for classes is:

Class Name	Age Level	Reg. Code	Day	Date	Time	Cost
Here you will see the name of the teacher or business offering the class and the class description and location. If anything about the class changes, you will be notified ASAP.						

If you have any questions, please contact Brittini Austin at the Community Education office via email or phone.
