**REQUEST FOR QUALIFICATIONS**

Architectural, Engineering, and Building Commissioning Services

The Friendswood Independent School District (District) is seeking qualifications as part of its long range facility planning process for Architectural, Engineering, and Building Commissioning Services. RFQ responses are requested from qualified architectural, engineering, and building commissioning firms in an effort to assist the District in providing the following:

- RFQ 21-001 Testing Lab Services (Geotechnical Engineering, Environmental Assessment & Construction Materials Testing Services)
- RFQ 21-002 Surveying Services (Boundary & Topographic Surveying)

Responses must be marked “RFQ #21-001 TESTING LAB SERVICES” or “RFQ #21-002 SURVEYING SERVICES” respectively. Responses must be sent to Friendswood Independent School District, 302 Laurel Drive, Friendswood, Texas 77546, where they will be received until 2:00 p.m., November 11, 2020. RFQ packets can be downloaded from the district website @ [www.myfisd.com](http://www.myfisd.com).

The Friendswood Independent School District reserves the right to postpone, to accept or to reject any and all proposals as it deems to be in its best interest and to waive formalities and reasonable irregularities.
