Flu Season is Here!

Influenza can spread quickly across a campus. Please follow these important practices to help prevent the spread of the flu this year:

- Get vaccinated
- Avoid close contact with those who are sick
- Cover your mouth and nose when coughing or sneezing
- Clean your hands
- Stay home when you are sick

FISD asks for staff and students to be fever free for at least 24 hours before returning to a campus.

IMPORTANT SAFETY REMINDER!

Students may only be dismissed through the front office.

Front office staff must confirm that the person picking up the student is authorized to do so.
